ACADEMIC PRICING & ORDERING

S-Matrix Corporation will provide Fusion Pro – Workstation Edition to a current university faculty member at our current Academic Discount rate under the following conditions. Please contact S-Matrix Sales for a quote (sales@smatrix.com).

- Fusion Pro will only be used for academic purposes, and not to support any commercial activities or privately funded projects.

- Any publication or public presentation of work done using the Fusion Pro software will include the text "Fusion Pro Software, S-Matrix Corporation (www.smatrix.com)" which will be visible and prominent in the publication or display.

S-Matrix Corporation will also provide a student version of Fusion Pro at no charge to students for academic use. License to use the student version of Fusion Pro will remain active for one year from the date of installation.

To Obtain Fusion Pro:

1. Current faculty members – send an email to S-Matrix Sales (sales@smatrix.com) requesting a quote for "**Fusion Pro – Workstation Edition**" and specify "Academic Discount". The email must contain the following information:

    - Faculty member name and position
    - University Name
    - Complete university mailing address (not a post office box)
    - Phone number of faculty member
    - University email address of faculty member
    - A letter of request on University stationary (attached PDF scan or separate FAX)
    - An image of the current University ID card of the faculty member

2. Students – a request for "**Fusion Pro – Student Edition**" must be emailed to "sales@smatrix.com" by a current faculty member sponsor. The email must contain the following information:

    - All faculty sponsor information identified under Item 1 above
    - An image of the current University ID card of the student

On approval by S-Matrix, software will be provided electronically via a download link.
